

Reaching Beyond is proud to offer:

A 12-Week Social Skills Program for Children Ages 8-12 Starting March 27, 2024

WHAT IS SECRET AGENT SOCIETY?

The award-winning and evidence-based small group program has been improving the lives of 8-12 year olds around the world for more than a decade.

Starting as 'Cadets', children join regular club meetings with trained SAS Facilitators where they learn codes and tools designed to build their social-emotional resilience.

Paired with 'secret agent' missions at home and school, the program focuses on diversifying four key life skills:

- ★ **Emotion Recognition** in themselves and others around them
- ★ **Emotion Regulation** focus on anxiety and anger
- ★ **Problem Solving** social-emotional situations
- ★ **Social skills** for friendship, team work and interacting with others

PROGRAM INCLUDES:

- ✓ *Introductory parent information session*
- ✓ *Weekly parent training sessions (virtually)*
- ✓ *Weekly cadet (child) training sessions (in-person)*
- ✓ *Regular progress updates*
- ✓ *Facilitated by a Board Certified Behavior Analyst*
