

Reaching Beyond is proud to offer:

A 12-Week Social Skills Program for Children Ages 8-12

This award-winning, evidence-based small group program has been run around the world for more than a decade.

Starting as 'Cadets', children join regular club meetings with trained SAS Facilitators where they learn codes and tools designed to build their social-emotional resilience.

The Cadets complete secret agent missions that focus on four key life skills:

- ★ **Emotion Recognition** in themselves and others around them
- ★ **Emotion Regulation** focuses on anxiety and anger
- ★ **Problem Solving** social-emotional situations
- ★ **Social skills** for friendship, teamwork and interacting with others

THIS PROGRAM INCLUDES:

- ✓ *Introductory parent information session*
- ✓ *Weekly parent training sessions (virtually)*
- ✓ *Weekly cadet (child) training sessions (in-person)*
- ✓ *Regular progress updates*
- ✓ *Facilitated Registered Behaviour Analyst (R.B.A., Ont.)*

LOCATION: Oshawa, ON

COST: \$2800 per participant

This program is an eligible expense for Core Clinical Services/OAP funding. Participants must meet eligibility criteria.

Contact us to find out when our next group of Cadets will be starting their missions!
